Students review letter knowledge with the Alphabet Flash Cards; and sight words with the High Frequency Word Cards. Students develop a foundation in the areas of writing process, story structure, and build oral language and listening skills using the following Story Crafting materials: Story Lines Big Book, Story Starter Cards, Thought Cards, Student and Puppet Thinking Crowns, Static Cling Icons, Icon Stickers, Finger Puppets, and select pages from the Kindergarten BLM. Students will play games using the Game Mats to help them remember letter/sound relationships. Students will participate in phonemic awareness activities with the Lion Puppet. Assessment Continuous assessment provides a variety of useful techniques and opportunities to assess students both informally and formally. Informal assessments include Rubrics, corresponding with specific skill masteries following the Lesson Planner pages within the Teacher Edition. Formal assessments are done periodically to offer teachers the opportunity to gauge progress on multiple skills. In the Program Assessment book, a Pretest at the beginning of the year guides and informs instruction, and a Midyear Test and Post-test give teachers an opportunity to monitor students' progress. Unit Assessments monitor students' understanding of phonics, comprehension, and language arts. Diagnostic Assessment provides more focus assessment opportunities to aid in individualizing instruction. Test Preparation and Practice Workbooks help teachers prepare their students for standardized tests, such as Terra Nova, SAT/9, and ITBS.

Organization All materials are housed in three convenient storage drawers. Materials can be used during whole- and small-group instruction (Workshop).

Resource Materials Little Books are Big Books in a smaller format for individual student use. Teacher Read Alouds are sets of trade books used for theme/unit introduction. Diagnostic Assessment provides focused assessment opportunities to aid in individualizing instruction.
